

**The 5th Academic Congress of Greater Bay Area Society of Paediatric Urology
and Continence (GBASPUC) & Annual Academic Congress of Pediatric Urology,
Pediatric Surgery Branch of Shenzhen Medical Association
(March 27–29, 2026 · Shenzhen)**

The Greater Bay Area Society of Paediatric Urology and Continence (GBASPUC) is a public welfare, non-profit, purely academic social organization registered in Hong Kong. The Society successfully held its first annual congress in May 2019 in both Hong Kong and Shenzhen (hosted by the Urology Department of Shenzhen Children's Hospital), attracting over 200 scholars from the Greater Bay Area and mainland China. Subsequent annual meetings were held online due to force majeure such as the pandemic. In 2025, the Society's council resolved to resume the in-person format for its annual congress, which will now be held once a year. The 2026 academic congress is scheduled to take place in Shenzhen from March 27 to 29, 2026. This conference is organized by GBASPUC, co-hosted by Shenzhen Children's Hospital and The First Affiliated Hospital of Zhengzhou University (Henan International Joint Laboratory of Pediatric Urodynamics). Concurrently, it will host the Annual Academic Congress of Pediatric Urology under the Pediatric Surgery Branch of the Shenzhen Medical Association.

This congress will invite renowned experts from Mainland China, Hong Kong, Macau, Taiwan, and internationally to present keynote lectures. Focusing on core areas such as pediatric urology, continence, and nursing, the conference now calls for abstracts and videos related to new advances, achievements, technologies, and discussions on complex cases in these fields. Diverse academic exchange sessions are planned. We warmly welcome colleagues to actively submit contributions and attend the conference to share in this academic feast and jointly promote disciplinary development!

Congress Theme:

Collaborative Innovation, Building a New Future for Pediatric Urology and Pelvic Floor Health.

I. Congress Dates:

March 27-29, 2026

[27th (Friday) 14:00-20:00 Registration, 15:00-17:00 Surgical Demonstrations (Sacral Neuromodulation or others); 28th (Saturday) 8:30-18:00 Opening Ceremony & Academic Sessions; 29th (Sunday) 9:00-12:00 Academic Sessions, Closing Ceremony with presentation of certificates for presentations, awards, and sub-specialty committee membership].

II. Call for Abstracts

Content: Submissions should primarily focus on pediatric urology and continence, covering clinical diagnosis/treatment, surgical techniques, experience summaries, basic and translational research related to relevant diseases. Submitted works must not have been previously published in journals.

Abstract Format: 500-800 words, including: Objective, Methods, Results, Conclusion, along with specific content and necessary data. Videos should be of sufficient clarity, 5-8 minutes in length, and under 500MB in size.

Submission Method: Online submission via email: gbaspu@163.com.

Submission Deadline: March 1, 2026.

During the congress, the organizing committee will organize experts to evaluate presentations and posters, selecting outstanding papers and cases for awards and certificates.

III. Committee Establishment

During the congress, three sub-committees of GBASPUC will be established: the Urological Committee (UC), the Continence Committee (CC), and the Nursing Committee (NC). All notified committee members are required to attend. A certificate presentation ceremony will be held.

IV. Registration

Registration Fee: Attendees: RMB 600/person; Graduate Students: RMB 400/person (student ID required).

*The registration fee includes conference materials and meals during the congress.

*The congress does not provide transportation; attendees are responsible for their own travel and accommodation arrangements, costs are to be reimbursed by their respective institutions.

Registration Method: Visit the congress website at <https://www.webnix.com/gbaspu>, click the "Individual Registration" button, and complete the online registration form. Real-name registration is required for effective participation. All registrants must provide their ID number during registration. Payment can be made online upon successful registration. Upon arrival, please present your ID card at the registration desk to check in and collect conference materials.

Registration Invoice: Invoices for the registration fee will be issued uniformly by "*****" approximately 7 working days after the congress concludes. Please log in to the "Congress Website - Personal Center - Order Management - Apply for Invoice" using your registered mobile number to download the invoice.
